Most Respected Sir,

Sub:- Death of N.Danappa--Late peon in S.R.O.Hospet, Bellary Dt.- compassionate gratuity-- requesting sanction of ---

****

I, N.Baby Amma, aged about 32 years, wife of Late N.Danappa, Peon, Sub-registrar's Office, Hospet, Bellary Dt., beg to bring the following few lines for your Honour's kind consideration and favourable orders:-

My husband late N.Danappa, entered service in the Registration Department, in theyear 1914, and had put in 25 years of good service with a record of good work to his credit all these years. He was in service till the date of his demise on 11-10-39. He was a peon in the Sub-Registrar's Office, Hospet, at the time of his death. He has left behind him, myself(a widow), and an adopted boy aged 17 years, by name Veeraswamy, who is now studying in III Form. On account of my husband being retained for ten years at Hospet, which is a malarial place, he was suffering from chronic malaria up to the time of his death. This in a great deal contributed to his speedy and untimely death.

After my husband's death, I have no other source of help to which I could look forward to for help and assistance. Further, I have no near relatives except my father, who is also a peon in the P.W.D. here. Also my

husband has left me debts to the extent of Rs.200/- and more, and I am in a fix as to how I would be able to liquidate the same. He has not left any immovable property nor any movables of value. Further, I will have to educate my son, who is studying and which I am afraid I will have to discontinue very soon for want of proper help. I am not accustomed to do cooly work to eke out my livelihood.

According to the custom prevalent in our ~~Setti~~ Gajula Balija community, I have to remain inside my house for one year from the date of my husband's demise. My husband's younger brother, N.Venkataswamy, a peon in your Department at Kudligi, Bellary Dt. cannot render any help to me as he himself has a big family to maintain. I have no independent house nor even a hut to reside in.

In the circumstances mentioned above, I would earnestly appeal to you and request you to grant me a compassionate gratuity of Rs.200/- or more as the circumstance-s of the case would require taking into account all the facts of the case and my husband's record of long service and useful work these 25 years. He has worked with meritorious devotion to his duty and faithfully. It would be of immense help to me at this critical moment, when I am stranded and penniless at present. It will go a great way to relieve me of the strain and discharge my husband's debts.

For which act of kindness, I shall feel highly thankful and ever pray for your long life and prosperity.

I beg to remain,

ORDER

MS.

Sanction is accorded to the grant to N. Baby Amma, widow of N. late peon, Sub-registry Office, Hospet.

of a compassionate gratuity of Rs. (75.0.0) Seventy five

payable at the Bellary sub-treasury.

2. The expenditure will be met from the appropriation under "55. Superannuation allowances and pensions—*d*. Gratuities—B. Compassionate gratuities—Voted"

3. The pay last drawn by the deceased Government servant was Rupees per mensem.

To the Accountant-General,

(Pension Verification Section) with the descriptive roll of the grantee.

To the D. G. of Registration.

To N. Baby Amma (widow of N. Ramappa, late peon, Sub-registry Office, Hospet) C/o. Pasupuleti Venkatasvamy, Peon Public Works Deptt. Tailor Street, Cort. Bazaar, Bellary

in the afternoon without [illegible] reason why he should absent himself

4. He has been found inattentive to duties off and on, prone to stay away in holidays and drink sometimes in office hours. Any amount of verbal warning has had no effect. His mallingering habits, false statements and ~~constantly~~ to give prior intimation to Sub Registrar and his indifference to duty even at this stage, deserve a serious notice and a deterrant punishment. But since the peon has come to his senses in the end though, he will be let off with a lenient punishment of degradation to the post of an ordinary peon on Rs. 12 for a period of 6 months, during which period his conduct will be watched. Should he not improve in his behaviour he will be permanantly degraded.

This will take effect from 1st September 1981.

Do Explanation dated 25-[illegible]-1921.

O R D E R:-

Peon Danappa sent an applica[illegible]tion for Casual [illegible] J stating that he was su[illegible]ffering from fever and stomach-ache through hi brother and the acting Registrar believing it granted the leave. He did not return to duty after expiry but his brother brought on 13-7- another petition without [illegible] for extension of 3 days. Thereon it was endorsed that he cannot be granted [illegible] re -ly and that he should apply for Hospital leave. This was delivered peon Venkataswami for handing over to his brother. He stated that he gave it to him and his brother was not in a position to go to office on account of illness. Danappa appeared before the Regis on 19th July and he was ordered to explain his absence and produce medical certificate or admission certificate from the Hospital to s port his theory. He says he was unable to get from his bed and so sent it on through his brother(vide his explanation dated 25-7-1921. The Registrar happened to meet the clerk of Kampli Sub Registrar's in Kudligi and occasionally asking him whether he saw peon Danappa i Kampli, he said he saw him twice during that week-11th to 18th July. The Sub Registrar, Kampli, also reported in reply to a reference fro Registrar that he saw him on 13th and 16th July 1921 at Kampli whil going to his office in a healthy condition. Danappa persisted in hi false statement even in his explanation received in Registrar's Off on 4-8-1921.

2. But after the Registrar's return to Head quarters and t he was confronted with the statements of Sub Registrar of Kampli a clerk, he admitted his presence at Kampli on those dates and tried to explain his presence both here and at Kampli. This is a delibera attempt at false-hood and to mis-lead officers. He obtained Casual leave by misrepresentation in the first instance and tried to suppo his theory of sickness in various ways. There was no application t all for his absence from 15th to 18th July. This itself was suffi to terminate his services but he was admitted to duty on the under- standing that he would support his absence with a medical certificat or copy of admission ticket as stated by him. So the period his absence from 11th to 18th will be treated as leave on loss of p

3. Besides the above misrepresentation and absence without tion, he was found guilty of having given intimation of Registrar's to Sub Registrars of Kudligi and Harpanahalli. He was sensible enou to admit this in his explanation of 25th instant. He stayed away 20th to 21st august 1921 without appearing before the officiating Registrar. He says he came to office in the mornings from 7 to 10

and openly defies the authorities. He is liabl[illegible]
for secreting
ment an official document, anonymous despatch, false s[illegible]
ment and impertinence. His previous conduct too has no[illegible]
satisfactory. He was first entertained in the year 1909
he forfeited his appointment in 1913 during the time of [illegible]
P.Ramakrishnayya Garu who remarked that his conduct was f
from satisfactory. He was reentertained in the year 1911

was degraded from Rs 15 to 12 for a period of 4 months
was transferred to Hospet at request and again to Registr

office Bellary. His conduct has not been satisfactory an
every opportunity given to him for improvement was lost i

and dangerous individual does not deserved to be continue

he will be given a last chance for improvement by becomin

matter.
